Hello Mr. Garvin and Mr. Stanislaus,

The WV Governor requested both CDC and EPA come to the state tomorrow to discuss issues related to the chemical spill. I've been asked to help identify the most appropriate EPA representative for this visit.

The CDC Director has a phone conversation scheduled with Bob Perciaspepe later this afternoon, but I was hoping to speak with either or both of you before then. I can be reached at Ex. 6 - Personal Privacy  
CDC plans to send Dr. Tanja Popovic, our Acting Director, NCEH/ATSDR.

Thank you,  
Robin
